

# YOUR FAIR WITH ZERO CONTINGENCIES

**BROCHURE - 2024/2025**

**TRASPORTI**

 [WWW.NFTRASPORTI.COM](http://WWW.NFTRASPORTI.COM)

# Is it possible to organise a trade fair with zero contingencies?

Absolutely. Thanks to NF Transport Systems integrated logistics, organising and planning a trade show is now a straightforward process, free from the inconvenience of unforeseen events. This is the result of over 30 years of experience in the transportation sector and over a decade in the field of fitters, trade shows, and events management, both nationally and internationally.

## What steps should be undertaken in order to organise my next trade show with NF Transport Systems, taking advantage of the guaranteed result formula?

Please contact us using one of the following channels below to arrange a meeting or a dedicated call in no time. This will enable us to figure out your real needs in terms of logistics, organisation and location. Following this process, you will be provided with a dedicated project for your fair or event, realized with NF Transport Systems. This will also contain the guaranteed result formula.

**Result**

# Track Truck Intelligent Geo-location

NF Transport Systems' intelligent geolocation technology allows customers to monitor their goods and the truck transporting them in real time. In addition to that, it facilitates the alignment and the meeting at the fair between the fitters and the driver who is responsible for loading and transportation.

# HANDLING AT THE FAIR

How valuable is your time and that of your co-workers? Time is the most precious resource and very often it represents the determining factor in achieving the success of a project and the satisfaction of the customer.

Today, you have the opportunity to activate the NF Transport Systems service, which provides a planned schedule based on your actual needs and requirements, eliminating the risk of unforeseen circumstances.

**Management  
and  
reservation  
Forklifts**

**Booking and  
reservation  
Fair access  
slots**

**Loading and  
unloading  
assistance**

# EASY AND CONVENIENT STORAGE

Is there a way to store empties in an intelligent and cost-effective manner?

NF Transport Systems offers an integrated logistics solution that addresses a long-standing issue, optimises your investment and provides a clear and defined timeframe. Furthermore, bespoke storage solutions for empties can also be provided, tailored to the specific size and requirements of the trade fair project.

**Storage of  
Empties/Fills**
